To Whom It May Concern:

We have been dealing with Fastway Couriers since September 2006. Having previously used a range of different couriers we chose Fastway because of their 24 hour delivery service. We have two websites that promise next day delivery, so it is very important to us to deal with couriers that we trust to deliver on their advertised 24 hour service.

We have at all times found them entirely efficient and very reliable. They provide an excellent follow up service, where they assist with any queries we have.

We would have no hesitation in recommending them to any potential new customers and would be available to answer any questions.

Kind Regards,

*Dawn Stafford pp.*
