

Littlewoods Ireland

Testimonial from Littlewoods Ireland

To whom it may concern,

Littlewoods Ireland has retained the services of Fastway Couriers Ireland since September 2009 to deliver parcels up to 30kg to Republic of Ireland customers from our UK base in Shaw.

Since commencing this relationship, Fastway Couriers Ireland has reached the Key Performance Indicators set out by Littlewoods Ireland and is on track to meet the yearly Service Level Agreements.

We would not hesitate in recommending Fastway Couriers Ireland's reliable and efficient service to any online retailer.

Yours sincerely,

Geoff Scully
